*"Jesus commissions his disciples to go and make disciples of all nations....so the modern church is commissioned and called to the same work by the same Spirit as the early church. God wants his church to be as empowered and victorious as it was 2000 years ago...."*

*...Jesus wants a church that is courageously empowered to share the good news and to see lives transformed. It's this naturally supernatural church that engages with the business of miracles and healing and transformation.*

*"Whatever it is that God wants the Church to do in Swanage, whatever he wants us to challenge, whatever opposition we face, however many times we're scorned, ridiculed or discouraged, however insurmountable the obstacles appear to be, just trust God for the outcome and thank him that the task ahead of us is never as great as the power behind us."*
