

PRAYING THE LORD'S PRAYER.

Our Father in heaven.

Hallowed be your name.

Our Father in Heaven.

Focus on giants – you stumble.
Focus on God – Giants tumble.

Praise.

Adoration.

“ in the first 6 words of the Lord’s Prayer Jesus tells us to take a slow, calm re-assuring gaze at God, his tenderness, his eagerness to give, his un-wearying patient and uniting love. The result of this is that we develop a calmness and a tranquillity in our spirit which means we will no longer plunge into a panicky flood of words”.

“this is not so much about location as elevation. If we focus on our Father in Heaven it elevates our spiritual vision until it breaks free of earth’s gravitational pull. We remind ourselves that in our Father’s presence our greatest problems turn into possibilities. Heaven is a realm with no shortages and no restraints. It enables us to get our perspectives in line with God’s”.

“to obtain a heart knowledge of God’s names. I wanted to have a revelation of his names on a personal level , to appropriate their fullest meaning not for mere theological knowledge but for my daily walk with Him”.
