

LIVING OUT GOD'S GRACE.

'grace' = 'favour'

to bend

or stoop

in kindness to another

as a superior to an inferior

CHARIS =

graciousness in manner or action

When used in reference to God, it is the benevolent action of Him stooping down to us in His kindness to reach us in our need, and convey upon us a benefit. His grace has been termed 'unmerited favour' but it is more than an attitude of favour or mercy. His mercy is an expression of His compassion toward us, but His grace is an extension of benevolence translated into action that releases His enabling power into our lives.

God stoops down to us in our need to convey a benefit.

**His grace is an extension of benevolence
translated into action
that releases His enabling power into our
lives.**

**Praise the LORD, my soul,
and forget not all his benefits—
3 who forgives all your sins
and heals all your diseases,
4 who redeems your life from the pit
and crowns you with love and compassion,
5 who satisfies your desires with good
things
so that your youth is renewed like the
eagle's.**
