

'One for All' was the theme of this year's Spring Harvest. If we want to see the Kingdom of God come in power by the transformation of our community, we need to show our community what that transformation looks like. And Jesus says we will do that when we are One together. So over the next three months we want to explore the theme of unity – first by looking at Jesus' remarkable prayer in John 17, and seeing what the New Testament has to say about how we do unity in practice and how to deal with disagreements?

Then we'll be putting unity into practice by joining in *Thy Kingdom Come*, the nationwide week of prayer before Pentecost from May 29 – June 3.

And finally we'll be turning to the Letter of James, a great book full of practical wisdom about how to live life together as God's people in the real world.
