

All Saints invites the Church in Swanage to

“Living the Last Week”

On Saturday 4 March we're delighted to welcome Christen Forster to Swanage. Christen is a well known and original Bible teacher and speaker and he's presenting '*Living the Last Week*', a totally new way of understanding Holy Week.

Ever wondered how all those Gospel accounts fit together? What about all those confusing characters in the Passion narrative? Christen has developed a harmonised, interactive and historically accurate walk-through of the events leading up to Jesus' death and resurrection.

We'll be following the movements and motives of all the characters on our own playing boards tracing the events day by day as Holy Week unfolds in space and time. We'll see each Gospel writer's own eye-witnesses moving around the city of Jerusalem picking up events from different perspectives.

This will totally change the way you understand the Gospel accounts of Jesus' last week!
