

“This sickness will not end in death. No, it is for God’s glory, so that God’s Son should be glorified through it”.

“Sickness ... is no sign that God is displeased with us ... it sends us to our Bibles and teaches us to pray better. It helps to prove our faith and patience ... It reminds us ... that we are not to live always (on earth), and tunes and trains our hearts for our great change (in death). Then let us be patient and cheerful when we are laid aside by illness. Let us believe that the Lord Jesus loves us when we are sick no less than when we are ill.”

“Lazarus is dead, and for your sake I am glad I was not there, so that you may believe.”

“Lord, if you had been here, my brother would not have died. But I know that even now God will give you whatever you ask.”

“I am the Resurrection and the Life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die.”

“Do you believe this?”

“Yes, Lord, I believe that you are the Christ,
the Son of God, who was to come into the
world.”

“I did tell you, but you did not believe. The miracles I do in my Father’s name speak for me ...”.

“I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die.”

Do you believe this?”
